- ~ Refreshment sales at school events.

Charitable activities funded:

- ~ minibus
- ~ salad bar
- ~ food pod
- ~ after school activities

Thanks:

The PFA are most grateful for the continuing support of Mr NJ Cole who is a constant source of inspiration to the Team. PFA would also like to extend their thanks to parents, school staff and rest of the Wilsonian community for their ongoing support. Their support and trust enable us to continue supporting Wilson's.

"The school's motto is *NON SIBI SED OMNIBUS* (not for oneself, but for all!). The Parents and Friends' Association at Wilson's embodies this motto in all that it does. Through its work, the experience for Wilson's boys has been improved in very significant ways, including via the refurbishment of our fitness suite; purchase of two additional minibuses and little touches, such as ensuring that the boys and our visitors have a bite to eat when we host fixtures or the very popular cake sales. As Headmaster, I am tremendously proud of their success and grateful for their efforts. All busy professionals, their commitment to Wilson's highlights the way in which our community works together to achieve the very best for current and future Wilsonians. I hope you will be inspired to join them."
